Re: Classic Cleaning Services

I would like to recommend Classic Cleaning Services for a position with your organization. Ed Rose has been responsible for our janitorial services here at the Westover location of Enbridge Pipelines Inc. since April 2010. Since that time Mr. Rose has done an outstanding job every week. We are very pleased with the service that Mr. Rose provides us.

We would highly recommend Mr. Rose, he would be an asset to any organization.

Sincerely,

Jennifer Emberson
