RE: Classic Cleaning Services

I am writing to recommend the services of Classic Cleaning Services. We have been using Classic Cleaning to clean our office for a while now and have always been completely satisfied. Ed Rose does an excellent job and offers a very competitive rate. He goes above and beyond. When he sees things that need to be done, he gets it done.

I am happy to recommend the services of Classic Cleaning. If you have any questions, feel free to contact us.

Yours very truly,
