

Hello,

I have used Classic cleaning services for the last 17 years. Ed Rose is the owner and I have had him clean many of our high profile, high traffic Bell locations for me over the years like, the Toronto Eaton Centre, Yorkdale Mall, Woodbine Centre, Walkers Line and Burlington Mall to name a few.

I have always found the work to be done in a timely manner and the cleanings always exceeded my expectations.

If anyone would like to contact me personally for a reference please feel free.
